PROFESSIONAL SUMMARY

AI Community Builder & Program Coordinator with direct experience organizing student-facing AI events and translating technical AI developments for non-technical audiences. Led end-to-end coordination for a **100+ participant** campus AI workshop as Google Student Ambassador, working directly with DevRel teams on programming and execution. Independently built and writes for an AI-focused media brand reaching **500+ followers**, and was selected as **1 of 10 global creators** in Google's I/O 2026 Countdown. Now pursuing an MCA at GL Bajaj Institute of Technology and Management, bringing hands-on Claude experience (claude.ai, Claude Code[, Claude API]) alongside a track record of running events students actually show up to.

SKILLS

Community & Program Coordination: Event Planning & Execution, Speaker Coordination, Cross-functional Communication, Stakeholder Updates, Vendor & Partner Liaison

AI Fluency: Claude (Claude Code, MCP & Skills, Agentic Workflows), Context Window Optimization, Prompt Engineering

Content & Communication: Technical Writing, Visual Content Design (Figma), Audience Growth

Product & Design: Product Ownership, UI/UX Wireframing, Figma, Design Systems, User Research, Accessibility (WCAG)

Technical: React, Python, Git & GitHub, Data Visualisation

WORK EXPERIENCE

The AI Breakout (Digital Media Brand & AI Community)

May 2026 – Present

Founder & Content Creator

Independent

- Initiated and managed an independent AI-focused media brand and community on LinkedIn, establishing a content workflow and growing an audience to **500+ followers** organically.
- Curated emerging AI developments, model releases, developer tools, trends to translate complex technical updates into clean, accessible summaries for developers

Google Student Ambassador

Jul 2025 – Dec 2025

Google Gemini, Communique India (Google India Partner) — Jaipur National University

Jaipur, India

- Led end-to-end project management for **Pixels & Prompts 2025** — a campus AI developer workshop for **100+ participants**, managing project scope, timelines, speaker coordination, collateral design, and on-day execution.
- Coordinated directly with Google's DevRel team via Communique India on program deliverables, status reporting, and brand compliance across all event touchpoints.

PROJECTS

AI Chat Exporter: Save AI Chats to PDF, Markdown & JSON | *Extension* [Chrome Web Store](#) | [Product Hunt](#)

- Executed full-cycle product management for a local, privacy-first Chrome extension exporting ChatGPT, Gemini, and Google AI Studio conversations to PDF, Markdown, and JSON, scaling to **1200+ weekly active users** organically.
- Defined project scope, prioritized feature roadmaps, authored technical documentation (500+ views on Dev.to), and managed privacy compliance and deployment across Chrome Web Store.

Playful (*Universal Web Media Player - Local, Ad-free YouTube, Lo-fi, PWA*)

[Live Demo](#) | [Product Hunt](#)

- Designed and shipped a browser-based media player solo in TypeScript, Vite, and Firebase; built an accessibility-first (WCAG) design system with responsive PWA layouts.
- Built a unified feature suite combining local video file playback (MP4/MKV), ad-free YouTube streaming with custom powerful controls, and 20+ ambient lo-fi live radio stations.
- Scaled product organically to **1500+ active global users** (US, India, UK) and **2500+ Google Search clicks in 28 days**, achieved a **6.5 average search position** and a **12.9% CTR** for competitive queries.

EDUCATION

Master of Computer Applications

Aug 2026 – Present

GL Bajaj Institute of Technology and Management, Greater Noida, Uttar Pradesh

Bachelor of Computer Applications (AI & Machine Learning)

Aug 2023 – Jun 2026

Jaipur National University, Jaipur, Rajasthan

CGPA: 9.4 / 10
